Safety Town

Safety Town 2021
 Safety Town is a one-week course that focuses on teaching children safe practices both at school and at home. The curriculum includes pedestrian safety, school bus safety, fire safety, seat belt safety, 911 emergency calls, and stranger danger.

Safety Town utilizes a realistic, child-sized town designed to provide a complete hands-on safety education. Working traffic signals, miniature buildings, crosswalks, and traffic provided by the children on vehicles help give participants the experience they need.

Fees: \$35.00 (Includes t-shirt, take home materials, and certificate)
Registration: June 1-August 1 (Maximum of 20 per session)
Age: Children entering Kindergarten Fall 2021-2022 school year
